

The floor plan shows a large rectangular building labeled "RECYCLING CENTER". Inside, there is a large rectangular area labeled "COMPACTOR ENCLOSURE". To the left of the enclosure, there is a long row of small rectangular units, possibly storage or equipment. A door is located on the left wall of the enclosure. The plan includes various structural details, such as walls, windows, and doors, and is annotated with labels like "T-1", "T-3", and "WP GR".
